

PROPOSED WEDNESDAY EVENING PROGRAMME

Date	Topic
19 February	Discussion, what do you want, Q&A
5 March	Look at online verses on computer software, privacy, costs, etc. This is a look at what is on offer and privacy issues.
19 March	Creating and managing trees online/offline. Looking at the pros and cons of online and offline.
2 April	What computer program do I use? We will take a brief look at the three main ones in use today, Legacy, RootsMagic and Family Tree Maker.
16 April	New Zealand BDMs online, Part 1 historical verses non-historical, microfiche and district keys. This is a simple and complex topic. So, there is a need to run over two nights.
7 May	New Zealand BDMs online, Part 2 More in-depth look. What to leave out or put in.
21 May	Sources, citation, and repositories. What are they, do you need them?
4 June	NZSG website. What is on there, what's free, what's members only.
18 June	GRO and FreeBMD, maybe Australian State BMD
2 July	Ancestry Search Helper. NZ based search engine for searching NZ held files.
16 July	Managing your files
6 August	FamilySearch, FamilySearch Wiki
20 August	Ancestry
3 September	FRC Family Research Centre what do they have to offer both online and at FRC
