What a great show during all three days. Thanks so much was a great time, and I met many older and made new friendships. Cheers, Geoffrey

Thank you so much for such a wonderful conference weekend. It really was a feast of resources and information that should last us for years. It was also a great venue with all the facilities that were needed. Thanks also to all who helped to make it such a success. I know it was an enormous effort to raise the funds and actually get to the point where Fintan and Gillian were coming. We were so fortunate to be on the receiving end of that knowledge. I certainly have a lot of new avenues to explore over the coming weeks. Dorothy

I am writing to thank you and your team for organising the conference held over the weekend. From what I learned over the weekend I now have a better understanding of my family transcript, the history of Ireland at this time and how my family fits into this history. All of the speakers were excellent, so nice to hear real Irish accents. Thank you again. Ross

It was a great effort from Rory and all the Team at the Irish Interest Group on the week end. Many thanks, Michael.

Thank you so much. Both my sister and I greatly enjoyed the conference, thanks to all your hard work! Alan

Thank you so much for the opportunity to attend the conference over the weekend. Congratulations for all the planning and organisation the committee put into making the event happen. To engage speakers from Belfast was quite amazing and was a thoroughly enjoyed experience for all those present. Thanks and best wishes, Judy
